

Fall 2005

Letter from Dawn:

It's hard to believe that the temperatures are still breaking summer records yet we're busy stocking our shelves with holiday stamps and papers! If you haven't been in to see the great new designs for the season, you are really missing out. If you need inspiration to start working on your holiday cards, we are ready to help.

Our instructors have put together an awesome line-up of classes for this fall. We think you will be thrilled with the fun, new techniques and projects included in the classes. We have some great gift ideas for your special shoppers so don't forget to put Stamp Garden on your wish list. We will be happy to help your shopper pick out a special gift!

As we get ready to go back to school, put on our sweaters again, and start preparing for the holiday season, I would like to take this opportunity to say how thankful I am for all of you - my family and friends, our great Stamp Garden employees and instructors, and of course, our wonderful customers. We sincerely appreciate your business and wish you and your families a happy and blessed holiday season!
