

Spring 2009

Dear Friends:

Happy 2009!! Well, it seems like it should be much later in the year after all of the cold and snow that we've had so far but it is only early January. So, what better way to pass the time during the snowy weather than with a few new stamp projects? We are very excited about the upcoming classes on this schedule. Once again, Linda and Linel have a stack of new stamps, markers, papers, fun folds and ribbons all put together in wonderful designs to WOW us! We go from fashion to Easter followed by a trip to the zoo with many whimsical and elegant sentiments thrown in between. These classes will have something for everyone's taste.

It is so hard to believe that we will be celebrating our FIVE year anniversary this spring. But how exciting!! We greatly appreciate all of our customers that have helped us build our business over the past 5 years. We hope you will join us during April 25th through May 6th to ring in year number 5. We have many fun events planned during this time to express our gratitude to all of you. Thanks again for your continued friendship and support. We look forward to another great year with you at Stamp Garden.

Best wishes,  
Dawn
