

Summer 2008

Dear Friends:

As I write to you this spring, we are in the midst of celebrating our 4th anniversary as Stamp Garden. The past 4 years have flown by and we all look forward to bringing you still more unique classes, creative ideas, and products in the coming years. Yes, believe it or not, there is much more out there and fun, new items are coming out everyday.

Please stop by this spring/summer to check out what's new at Stamp Garden. We have new papers, stamps and embellishments from great companies such as Imaginesce, Cloud 9, and Fiskars, with more to come. We will continue to have the wonderful "one time only" Saturday classes at least once each month during the summer. You can't go to cabin every weekend, right? Also, back by popular demand are all new retreat classes to start the fall season off right. I hope you'll join us for these great events in the coming months or just stop by to shop and say hi.

Thanks to all of our wonderful friends that continue to support our craft, our business and our classes. Have a wonderful summer!
