

Winter / Spring 2008

Dear Friends:

Happy 2008!! I hope all of you had a wonderful holiday season with friends and family. Thank you for the many beautiful holiday cards that you shared with us. We have a lot of creative people out there!

Every time we put out a new class schedule, I think "Now, surely we've done it all. What can possibly be new?" But, once again, I'm in awe of the creative talents of Linda and Linel and the fabulous classes they have planned for you over the next four months. We have so many holidays and seasons coming up to celebrate between now and the month of May that you won't want to miss any of these great classes.

We also have new program starting in February called "With One Stamp". Read more about it in our Special Events section. Our vendors have been busy working on new items as well. We will be attending the annual crafters convention in early February so watch our shelves for the latest and greatest in the stamping world this spring.

I hope that all of you will help us celebrate our 4th year as Stamp Garden in May with some special classes and events.

Thanks again for your continued friendship and support.

We look forward to a great 2008 at Stamp Garden.

Best wishes,

Dawn

With One Stamp

A new display program starts at Stamp Garden on February 1st. Linel will be creating several unique sample cards using a new and unique stamp that hasn't been used in previous classes or samples. These samples will be on display in a special location in the store for one month. A new display for "With One Stamp" will be put up at the beginning of each month. All stamps, papers and embellishments will be on display with the samples. But, you know how it goes with those great samples - come in early in the month before everything is snapped up. *You'll be amazed at what you can do "with one stamp".*
